

Ionas Vasileiadis /i.o.'nás/

I'm a 25-year-old resident of Dubai, hailing from Thessaloniki, Greece, with a passion for system engineering, DevOps, and cybersecurity.

- Expert on the **Linux** kernel and Unix-like ecosystem and **administration**, security practices, **shell scripting**; has owned and maintained a Gentoo system before.
- **LAMP** and all things **web hosting** guru: Apache, Nginx, MariaDB, PostgreSQL, PHP.
- Specialised in DevOps technologies: **Docker**, **Ansible**, **git**.
- Adept in server and **domain migrations**, **hybrid cloud** setups with major service providers (AWS, gCloud, DigitalOcean), **virtualization** (esxi, kvm), and penetration testing.
- Robust understanding of web technologies and **APIs**, and working with software engineers.
- Future career goals include mastering Kubernetes and taking on OSCP.

Past occupations

Confidential — *SecOps engineer*

January 2024 - Present

I haven't written a job description yet. Please stay tuned for updates.

SQLearn — *System administrator (Level 2)*

October 2023 - January 2024

Elevated Linux-based system setups with fortified security measures and advanced features, driving innovation through focused research and development efforts in designing and implementing delivery pipelines, and rebuilding and expanding infrastructure.

Enneas — *Junior system administrator and data analyst*

June 2023 - September 2023

Automated backup solutions for vast data arrays, achieving near-zero loss during transfers; executed major infrastructure upgrades to bolster stability and harmonise server environments.

Freelance contract worker — *IT specialist*

January 2023 - December 2023 (part time)

Collaborated on several projects as an independent contractor. Singlehandedly engineered a full-stack e-commerce solution, encompassing end-to-end coding, hosting, and deployment, instrumental for all digital operations.

Prior to entering the Tech industry, I had a successful six-year career in the Food & Beverage sector, having lasting collaborations with internationally esteemed companies including Sani & Ikos resorts (contract: 2017, 2019, 2022). I bring a strong work ethic, positivity, and the ability to thrive under pressure. I'm fond of responsibility, innovation, and public speaking.

I fulfilled my mandatory **military service** in 2020, having served in Nicosia, Cyprus, under the rank of corporal (OR-4).
